

- Q. I-A-1                      Provide a summary discussion of the rate change request, including specific reasons for each increase or decrease. Also provide a breakdown which identifies the revenue requirement value of the major items generating the requested rate change.
- A. I-A-1                      The specific reasons for the rate increase are provided in the Company's Statement of Reasons, which is included as part of the Company's filing. A breakdown identifying the revenue requirement value of the major items generating the requested rate change are provided in the direct testimony of Michael J. Trzaska, PECO Statement No. 3, and in PECO Exhibit MJT-1.

- Q. I-A-2                      Identify the proposed witnesses for all statements and schedules of revenues, expenses, taxes, property, valuation and the like.
- A. I-A-2                      Refer to PECO Statement No. 1, the Direct Testimony of John E. McDonald, which identifies the witnesses submitting direct testimony accompanying the Company's filing. Mr. McDonald's direct testimony also provides a summary of the areas addressed in each such witness' direct testimony.

Q. I-A-3                      Provide a single page summary table showing, at present and at proposed rates, together with references to the filing information, the following as claimed for the fully adjusted test year: Revenues Operating Expenses Operating Income Rate of Return (produced)

A. I-A-3                      Refer to PECO Exhibit MJT-1, Schedule A-1, for the fully projected future test year (2022), PECO Exhibit MJT-2, Schedule A-1, for the future test year (2021) and PECO Exhibit MJT-3, Schedule A-1, for the historic year (2020). The referenced schedules are discussed in PECO Statement No. 3, the direct testimony of Michael J. Trzaska.

- Q. I-A-4                      Whenever a major generating plant is placed in operating service or removed from operating service the utility shall separately indicate the effect of the plant addition or removal from service upon rate base, revenue, expense, tax, income and revenue requirement as if affects the test year.
- A. I-A-4                      Not applicable. PECO does not own a major generating plant, but instead purchases from others the power used to serve its default service customers.
